Re: Notice of Demolition/Renovation Activity Involving Asbestos

Dear Rick Brazfield:

This letter is to acknowledge receipt on September 14, 1995 of the notification postmarked September 7, 1995 involving asbestos demolition/renovation activity, for the facility located at County Road 6800, the San Juan Generating Plant Unit #4, Waterflow, NM.

This office has reviewed the notice and determined that it includes all the information required by AQCR 751, incorporated federal NESHAPS requirements Subpart M of 40 CFR, Section 61.145 (b) (i-xvii).

The tracking number assigned by NMED Air Pollution Control Bureau for this job is #045.84279.011. In all future correspondence which deals with this facility, phone conversations, and next to the facility name on the waste manifest be sure to include this number. This will allow us to streamline our paper work.

A copy of the asbestos waste disposal form should be sent to this office upon disposal of the asbestos material.

If you have any questions, please contact me at (505) 827-1511.

Sincerely,

Bill Huber  
Asbestos Compliance Officer  
Air Pollution Control Bureau
